

# MANDARIN FOR 3<sup>RD</sup>-5<sup>TH</sup> GRADERS!

**WONDERS**  
CHILDREN LEARNING LANGUAGE

Wonders is pleased to continue our play-based Mandarin program at Capri!

This class is for 3<sup>rd</sup> – 5<sup>th</sup> graders. (Younger children with strong reading and writing skills may enroll as well; call for more information.) Both new and continuing children are welcome! Activities are designed for all levels of Mandarin exposure except true bilingualism. Our teachers are native speakers experienced in teaching and engaging children. Teachers use diverse activities to engage a wide range of learning styles. A combination of repeated and new characters and vocabulary each week allow children to strengthen skills and develop new abilities. We will go over “pinyin”, characters, strokes, stroke order, and culture – while playing!

As part of our mission to making language learning fun, there is no required homework - but we may provide some worksheets for your child to use at home for practice. Our classes make learning fun, natural, and easy!
