

MANDARIN FOR

2ND - 4TH GRADERS!

At Capri Elementary,
brought to you by

WONDERS
CHILDREN LEARNING LANGUAGE

Wonders is pleased to continue our Mandarin program at Capri!

This class is for children in 2nd - 4th grades. (First graders with strong reading and writing skills may enroll as well; call for more information.) Our teachers are native speakers experienced in teaching and engaging children. Teachers use diverse activities to engage a wide range of learning styles. Both new and continuing children are welcome! Activities are designed for all levels. A combination of repeated and new characters and vocabulary each week allow children to strengthen skills and develop new abilities.

We cap classes at 12 students, so all children have plenty of opportunities to participate. As part of our mission to making language learning fun, there is no required homework - but we may provide some worksheets for your child to use at home for practice. Our classes make learning fun, natural, and easy!
